January 2008

To: Bowling Green Organizations, Agencies

As one of the events to celebrate the City's 175th Anniversary, the Steering Committee has planned BG's Big Birthday Party on February 23 and invites your group to participate by having a display or table at the event. The party will be at the Woodland Mall from 1 to 4 p.m. on that Saturday (February 23).

We will have a cake decorating contest, crafts and stories for children, entertainment, special presentations, and, of course, birthday cake.

There is no charge for either the party or for having a display. We want this to be a community event where we get together for fellowship and acknowledgment of our wonderful community!

Just a few guidelines for displays:

1. Groups need to furnish their own tables and chairs
2. Someone needs to be at the display/table for all three hours
3. First come, first served for space
4. No electricity provided
5. No individual signage provided

Groups must be pre-registered for a display. This will give us the opportunity to promote the participants.

Complete the enclosed form and return to Joan Gordon, 175th Steering Committee chairman, no later than Wednesday, February 6.

Questions to Joan Gordon at 419/354-6648 or [jhgordon@dacor.net](mailto:jhgordon@dacor.net).

We look forward to having you participate in BG's Big Birthday Party and celebrating 175 years of history!

Best regards,

Joan Gordon  
Chairman  
175<sup>th</sup> Steering Committee  
and Displays

Barbara Keller  
Chairman  
Birthday Party
