

2007 Aquatic Survey Results

2. OTHER choice for an OUTDOOR aquatic facility?

Survey

- 7 take some of the grass away. I think kids need the pool as you see them heading to the pool in pairs etc. during summer
- 8 I love having the pool @ City Park but a pool in BG is MOST important
- 14 Indoor
- 19 Partnership with BGSU makes sense.
- 25 outdoor pool @ CC and parkland @ city park
- 30 The City Park is the ONLY place kids can reach on bikes although I would like a different swim opportunity-warmish water adult facilities.
- 31 If times were separate from the students
- 38 indoor/outdoor aquatic facility at CC
- 55 charge significantly more for non-residents to use
- 57 soccer fields
- 59 no preference , change facilities? No junk food, What is lazy river
- 67 revert to swamp
- 69 None
- 71 Indoor Outdoor facility needed
- 73 if this pool closes then I choose A on ?1 if it one or the other-then outdoor for the kids who don't have the \$ to join the CC. Kids can bike to it from town
- 79 I envision a park like setting with people sitting on blankets having a picnic watching the kids
- 81 Should have done this from the start! Then think about an ice surface, if there had been a pool and ice surface from the start that center would be booming
- 86 I would be open to an outdoor facility at CC if safe access/via bikes and walking for children from neighborhoods is created.
- 93 no preference
- 102 City park better location than CC move BB diamonds out to CC and keep pools at city park
- 103 see Survey
- 104 see Survey
- 105 simply do the basics & do them well non tax payers should pay a higher fee for swimming lessons, why do BG taxpayer have to subsidize their lessons
- 106 see Survey
- 107 the CC was forced on the residents by Mayor, City Council, Maurer, NG with NO VOTE!!!
- 114 see Survey
- 115 close for kids to walk to
- 119 Carter Park????
- 123 we need to keep city pool for all the children who walk and ride bikes to swim , I have no problem finding parking
- 126 None-not needed to expensive
- 132 this is a very well researched and presented Good Luck
- 137 I just think that the kids in the city who ride bikes or walk to the City park will be unable to themselves all the way to the CC. Its all in the location
- 150 will the pool be worn out, leading question
- 154 see Survey

157 all
159 only want to spend \$2 million
160 If people want to be there they will find a place to park!
161 close call over "a" or Cheaper to operate "b"
162 I do not use the pool. It is best not to spend what you do not have
167 doesn't sound feasible with the CC being far out of town with no transportation, I think we have enough parks to support If no additional tax is needed
172 I should experiment with going to the center soon
177 wants Vortex pool
196 lap swimming
202 No transportation, would not be possible for low income children while their parents worked during the summer, kids can ride bikes to City park in summer
209 remove top but fixed roof structure which would not require air support system See Survey
215 walking, bike riding distance for children See Survey
220 Does not matter ?3 If they have the indoor pool with outdoor feel or big open ares to walk out and sun-good possibility
222 either probably
226 no sidewalks to CC limits children use to drop off
232 None
234 Make do with the old re-vamp it and save the tax payers money we are being taxed to death see survey
241 rehabilitate current pool do not nee a new pool
243 use part of the golf course for parking, since the golf course belongs to the City. Rehabilitate the pool
245 Lots of parking at City Park
255 we are both over 80 years old and can't afford any more taxes
259 I guess I don't see the need for an outdoor @ the CC when there is one established already
263 Build a new indoor at the CC for 3 mils, operate both for 10 yrs, renew and build a new outdoor facility 10 yrs from now at City Park
266 most easily reached
270 Whatever doesn't raise my taxes See survey
275 see survey
284 It's is our opionion that the pool at the City Park location is very important. It makes the park what it is and to us and convenient to us
286 see survey
288 None
289 Childredn can't get to the CC
290 Central location easy for children's access
294 None
Splash park at City
299 Park
300 None
316 see survey
317 use/share BGSU Rec's aquatic facility
322 Nothing that raises my property taxes
328 Plenty of room for parking at City park

332 renovate City Park. Don't raise Taxes
indoor/outdoor all in

337 one

343 None city can not afford taxes high now. City can't afford CC now a pool? Pay with user fee 3 pools at BGSU use them

347 Outdoor facility @ park that's handicap accessable

349 None

350 see survey

353 only if property taxes would cover mambership. Let the faculty die I have a membership at the BGSU rec

362 We will not be using any of this. I think the cost is to High

363 My taxes have risen almost 40% in the last 5 years. You will have to make a very good case to convince me to vote for more taxes

369 This is a hard question-I would like a pool for my use but feel it is more important to have a pool for kids in an easily accessible location

379 see survey

388 You are going to hurt the youths opportunities to use the pool if you move the pool th the CC,it is dangerous to ride a bike or walk which many kids do.

395 No aquatic facility at all

397 The pool needs to stay in the town for the children of this city

403 CC too far for kids to walk or ride bikes

404 An outdoor/indoor facility at CC-If this a no choice then an outdoor facility at City Parl

408 BG needs pool at central location for children so they can walk or rede bike

414 BOTH see survey

415 see survey

417 see survey

424 see survey

425 see survey

429 see survey

434 Given spce at City Park is inadequate, otherwise I prefer it in town. I think many kids can get ther on their own in town, but won't be able to at the CC

438 Walking or biking distance for so many people!

439 see survey

440 I think more children could use it-walking ar by bikes

442 NONE

453 see survey

455 Kid can ride bikes to the Ciry Park SEE SURVEY

457 Keep old pool cannot afford more taxes at this time the schools just taxed us more-recently

460 see survey

467 West end of town near Mitchell off Conneaut (more neighborhoods in area see survey

469 see survey

472 see survey

474 see survey

482 I already have my own pool that I paid for I do not see a need to pay for a pool for others

491 Both

498 see survey
511 I think it is important to have the pool situated in a location where the children in out town could walk or ride bikes to the City Park is ideal!!
527 Please keep a time common to pool that is in walking distance for many children and families
531 Accessible by the kids during the summer
536 see survey
537 see survey
540 The Great Lakes
542 see survey
544 see survey
545 If not at City Park somewhere we can get to by foot or bike! Not possible at the CC
548 see survey
552 see survey
558 see survey
562 Neither of above
567 see survey
573 Have my own pool-don't use
582 The quarry leased to the County Club- End the lease in 2015 and develop the quarry into a outdoor pool
583 Unfair to list negative for only one of the options. All of the options have negatives
600 see survey
607 Depends on the time of year- school year-evening summer afternoon Depends on price and what is included
609 see survey
618 Children/families need a modest facility at City Park. Transportation to CC is a concern along with the cost of joining the center
619 see survey
623 None-no taxes
Parking can get arranged differently but leave golf course alone, the course is a good challenge to golfers. Try and apply for grants or any other funds to pay
629 pay
634 see survey
638 Plant grass- tear it out Outdoor facility-None
640 see survey
642 indoor/outdoor combo @ CC
644 see survey
654 None
655 None
