

We can design a program to meet your needs!

Who? The Rotary Nature Center Staff:
Chris Gajewicz, Natural Resources Coordinator
Cinda Stutzman, Natural Resources Specialist
Mike Przysiecki, Natural Resources Specialist

What? We can design a 1 to 1 ½ hour program for individual youth organizations or you can pool together with other groups to create a 4 to 6 hour program.

When? After school, after dinner, on weekends or throughout the summer.

Where? At the Rotary Nature Center located at the Wintergarden/St. John's Nature Preserve (South Wintergarden Road between Wooster and Sand Ridge roads). The majority of the programs are best conducted at the Nature Preserve. Seed cleaning and Recycled Paper Making can be brought to your site (inside BG only).

How? To plan your Special Request program with the Naturalist Staff at the Wintergarden/St. John's Nature Preserve, please call 419-353-0301.
