PAR	4	4	3	3	3	3	3	3	3	3	4	4	3	5	4	4	3	3	62

Welcome to the new Carter Park Disc Golf Course. As you will realize when you get on the course, we are still in the construction phase. We will be landscaping the course, putting up signs and putting in permanent tees. For now, the tees are indicated by red stakes.

Before we go any further with the development of the course, we invite you to golf the course and give us any comments or suggestions for improvements and/or modifications. For example, we are interested in your reaction to the difficulty or playability of the holes. If you have any comments, please write them on this scoresheet and put it in the mailbox. Or call the Park and Recreation office at 354-6224.

Thanks for playing the course, and have a good round!

PLEASE NOTE: Many trees in the wooded areas have very dangerous thorns!
Do not lean against the trees or attempt to climb them!
