

Compare for Yourself ... and See Why Customers Rate Our Labelers #1

2. SnapOut Ink Roller
Spare pre-inked rollers are available and easy to replace

3. Quick Access
Unique snap-open design of the top and bottom of the OM 2 labeler gives you easy access to change label rolls quickly and easily

4. Built to Last
Each OM 1 and OM 2 labeler is built around a strong but light-weight metal frame that will last longer and need far less service than other labelers
